

Upstate Vet Emergency + Specialty Care, with locations in Asheville, NC and Greenville, SC, is seeking an Avian & Exotics Specialist to join our amazing team in Greenville. Board certification in either ABVP- Avian/Exotics or ACZM preferred. With specialists in Internal Medicine, Oncology, Emergency & Critical Care, Neurology, Surgery, Cardiology, Ophthalmology and Dentistry we strive to provide the highest quality of care for our patients, while maintaining an appreciation for “quality of life” for our entire team. We all enjoy working in an environment that is supportive of individual professional interests, career growth and success. The ideal candidate would be talented, energetic, have strong interpersonal skills, possess a sense of humor and be a contributing member of our existing team. We offer a competitive base salary, CE allowance, benefits and license package.

Greenville offers all of the convenience and friendliness of a small town yet feature activities and diversity of cultures normally associated with larger metropolitan areas. The vibrant downtown area is a hub for the arts, dining, and shopping. Although we experience all four seasons, our temperate climate allows you to enjoy the mountains, lakes, and beaches which are easily accessible.
