

Exotic and Small Animal Veterinarian, San Diego - The Pet Hospital of Penasquitos is looking for 3rd FT Associate. We are a AAHA certified Exotic and Small Animal Practice in beautiful Rancho Penasquitos, an affluent northern suburb of San Diego County, with fantastic schools to match the climate. We treat reptiles, dogs, cats, rabbits, small mammals, a few amphibians and birds and are a referral practice in southern California for reptiles. We match state of the art equipment with exceptional RVT's and work closely with specialty hospitals in the area. We mentor 3rd and 4th year veterinary students from around the world and veterinary technicians from multiple programs. Dr. Boyer, DABVP, Reptile and Amphibian Practice, and Dr. Marianne Caron, ABVP reptile resident, are looking for an experienced veterinarian with excellent small animal (50%) and exotic (50%) skills, large reptile and rabbit caseload. Benefits include 4 day work week, schedule flexibility, matching 401 K, 50% health insurance, continuing education, paid holidays/vacation/sick leave, discounted pet care, great support team, and, of course, living in San Diego! Whatever your interest, let's pursue it! Must be licensed in California and APHIS accredited. Send resume to [DrTomBoyer@hotmail.com](mailto:DrTomBoyer@hotmail.com).
