

Veterinarian | Small and exotic animals | Mundelein, IL

About Vernon Hills Animal Hospital:

We are seeking an Associate Veterinarian who is looking for the opportunity to join our multi-doctor practice that focuses on educating clients on the highest quality care and building lifelong relationships with pets and pet owners. While we are a small animal practice and treat lots of dogs and cats, a large percentage of our clientele bring us **reptiles and amphibians!** The best part of our practice is that you will be supported by a skilled and collaborative team in a relaxed environment!

Our experienced and tenured support staff will allow you to focus on patient care and provide an excellent client experience. Our clientele is highly invested in their pet's health and will follow through with your recommendations; allowing you to practice high quality medicine. We routinely update our equipment and online presence to continually provide an excellent experience for our doctors, clients, and patients. Our veterinarians are excited to add an associate to the team to continue our legacy of providing quality care to our patients in the community. We pride ourselves on empowering and educating our clients to be informed pet owners.

We welcome veterinarians of all experience levels, as our doctors are enthusiastic to share their knowledge and mentor a recent graduate in all aspects of general practice.

At Vernon Hills Animal Hospital our mission is to improve the lives of our veterinarians by providing you with comprehensive benefits:

- Generous compensation package
- Career path opportunities for leadership/management
- Flexible schedule
- Customized mentorship plan
- Substantial paid time off
- Medical and professional liability insurance
- Optional dental, vision, life, short term and long term disability insurance
- 401(k)
- CE Allowances
- Relocation Assistance

A Doctor of Veterinary Medicine (DVM/VMD) degree, or equivalent, from an accredited university.
