

Two Feet Four Paws Veterinary Clinics

Exotic Animal Veterinarian

Two Feet Four Paws is looking for an experienced exotics veterinarian to join our expanding 5 vet team in Dubai, UAE.

Two Feet Four Paws is a private veterinary practice providing care for exotic pets and small animals. We are a local referral centre for exotics and also provide veterinary care for a number of zoo and aquaria collections in the region dealing with a wide range of species.

The successful candidate will primarily deal with exotic patients in house however the opportunity exists for the right candidate to grow their experience in zoo and aquaria work. Experience with small animals (dogs and cats) commensurate with 5 years' experience will be beneficial.

The clinics have excellent facilities including high specification ultrasound, IM3 dental machines, digital radiography, dental radiography, electrosurgery, Idexx Laboratory facilities, and endoscopic/laparoscopic equipment.

The successful candidates will enjoy no out of hours work, 30 days leave, excellent private healthcare, a competitive tax free salary (55-70K GBP/Annum) and a 5 day week.

The position would suit a veterinarian with combined experience in exotics/small animal work. A postgraduate qualification in Zoological Medicine such as a Certificate or MSc (WAH) would be favorable.

Interested applicants please forward your CV and covering letter to Chris@2feet4paws.ae and belle@2feet4paws.ae .
