

SAVE THE DATE!

37th Annual Wildlife & Exotic Animal Symposium

Faculty, Staff, Students

Count Down begins NOW for the wildest weekend around! The *37th Annual Wildlife & Exotic Animal Symposium* will be held on **March 5 & 6, 8AM-4PM and 8-5PM PST respectively.**

We are so excited to bring you two jam-packed tracks of incredible content to be shared over Zoom, from bee medicine, to ferret oncology, to COVID-19 in otters, to research with red pandas, and many more exciting topics!

More information regarding registration to come!
