

# Pet Hospital of Peñasquitos

*Full Service, Compassionate, Progressive Veterinary Care for all your Pets  
We treat your pets as our own*

## Exotic and Small Animal Internship

Come join our team! The Pet Hospital of Peñasquitos is a busy exotic and small animal hospital. We are an AAHA certified hospital in beautiful Rancho Peñasquitos, a northern suburb of San Diego. Our caseload is 50% exotic pets, including reptiles, small mammals, and a few amphibians and birds. We are a referral practice in southern California for reptiles. We match state of the art equipment with exceptional RVT's and work closely with specialty hospitals in the area.. Drs. Thomas Boyer, DABVP, Reptile and Amphibian Practice, and Marianne Caron, ABVP reptile resident, are looking for an outstanding veterinarian with excellent animal and people skills for a one-year internship with a start date of June 15<sup>th</sup>, 2022. New graduates are welcome to apply!

Benefits include:

- \$50,000/year
- 4-day work week, no on call or overnight emergencies
- Schedule flexibility
- 50% health insurance
- \$1,500 towards continuing education per year

Additional benefits include paid CE/holidays/vacation/sick leave, liability insurance, discounted pet care, a great support team and work environment, and, of course, living in San Diego!

Must be licensed in California and APHIS accredited. California is now offering reciprocity for state license holders who have passed the national board within 5 years or for veterinarians holding an out of state license to practice for more than 2 years (either needs to also pass an open book CA jurisprudence exam). Send CV/resume, 2 letters of recommendation to [DrTomBoyer@hotmail.com](mailto:DrTomBoyer@hotmail.com). Whatever your interest, let us pursue it!
